

Shady Grove

(Chorus)

Sha - dy Grove, my true love, Sha - dy Grove my dar- lin'

Sha - dy Grove, my own true love, down by the Sha - dy Geove.

Tell me where my true love is,
Tell me if you know,
Tell me where my true love is,
Down by the Shady Grove.

CHORUS

Tell me where my true love is,
Tell me if you can,
Tell me where my true love is,
Gone with another man.

CHORUS

I used to have a big white house,
Horse and buggy fine,
I used to hug and kiss the girls ,
Used to call them mine.

CHORUS

Put my knapsack on my back,
Musket on my shoulder,
I'm going down to New Orleans,
Going to be a soldier.
